

List of hotels in Warsaw (2017 SWAT Conference)

Warsaw offers a wide range of hotels and participants are free to find accommodation according to their needs. This list is just an attempt to present several noteworthy possibilities.

The list is divided into two parts according to locations: City Centre or Warsaw downtown (**part A**) or the (City) South (Ursynów district) (**part B**). More central locations of hotels in part A means a close proximity of various attractions that Warsaw has to offer. The hotels in part A allow to reach the conference venue by metro (M1 towards Kabaty) and afterwards bus (401 or 193 from Metro stop Służew) with the approximate journey time of 30-40 minutes. Hotels from part B are located along the 148 bus route which allows access to the conference venue (in 15-25 minutes) as well to the Chopin airport. Note that the prices are sometimes approximate and they can be subject to change (confirm upon reservation). The organizers have made an agreement on special discounts with some hotels. This discount is either possible through the "SWAT Conference" word or through a dedicated link to online booking.

Public transportation in Warsaw is well-developed and convenient. The conference venue is located next to the "Ciszewskiego" bus stop (note that it is an on demand stop so you need to press the button on the bus to indicate you are getting off or if you are waiting on the bus stop you will need to wave at the bus driver). Information on public transport within Warsaw can be obtained here <http://www.ztm.waw.pl/?l=2>
